

ANNOUNCEMENT

Forthcoming MES Seminar:

- Introduction of this Security of Payments legislation
- How you can expect the SOP Act will / could affect all parties including:
 - Main builders
 - Project Managers and similar
 - Architects
 - Building designers
 - Consultants (civil, structural, hydraulic, mechanical)
 - Specialist sub contractors
 - Site contractors
 - All suppliers to our industry, including:
 - Hiring companies
 - Manufacturers
 - Scaffolding companies
 - Energy services
 - Property enhancers
 - Recycling/rubbish services
 - Couriers
 - Many more

We will provide all attendees a Security of Payments Legislation 2011 “Get Started Tool Kit” which will be a vital reference for your business and associates.

Come along and meet our associate from NSW, Mr David Glinatsis, Solicitor Director, Kreisson Legal. David’s background – 12 years of client representation and attendance, he has been involved in SOP claims from \$40 million down to \$5,000. David is very qualified and experienced in this legislation.

Don’t miss this excellent and informative presentation.

Please register for your seat. We are planning this event for Thursday 10th November 2011, 1 month before the Act comes into effect.

We have extended invitations to many participants from all areas across the building industry, including Government, Semi Government, private companies, builders and developers.
